MISSION

We strive to use creative lighting solutions and high quality innovative product to improve living spaces, using minimal energy.

VISION

To add value to the quality of lighting and thereby positively influence mankind and the environment.

A photograph of three men in business attire (suits and ties) looking at a tablet together in a modern office setting. The man on the left is wearing a dark suit, a light shirt, a grey tie, and glasses, and has a pink circular badge on his lapel. The man in the center is older, with grey hair and a beard, wearing a dark jacket over a light shirt and a patterned tie, and glasses. The man on the right is wearing a dark jacket and glasses. They are all looking down at a tablet held by the man on the right. In the background, other people and office equipment are visible, slightly out of focus.

The background image is a composite of two modern interior spaces. The left side shows a staircase with yellow handrails and steps, set against a light grey wall. The right side shows a glass-walled office or laboratory with yellow linear light fixtures mounted on the ceiling. The text is overlaid on the left side of the image.

STREET | SUBWAY | RAILWAY | TUNNEL

A modern office interior featuring a large wall on the left covered in a detailed black and white line drawing of a cityscape. The space is supported by several white cylindrical columns. In the background, there is a lounge area with three armchairs (two blue, one yellow) and a small table. To the right, there are white desks and office chairs. The ceiling has long, horizontal light fixtures. The floor is a light-colored concrete.
