MISSION

We strive to use creative lighting solutions and high quality innovative product to improve living spaces, using minimal energy.

VISION

To add value to the quality of lighting and thereby positively influence mankind and the environment.

A photograph of three men in business attire looking at a tablet. The man on the left is wearing a dark suit, white shirt, and grey tie, with a pink circular badge on his lapel. The man in the center is older, with grey hair and a beard, wearing a dark jacket over a white shirt and a patterned tie. The man on the right is wearing a dark jacket. They are all looking down at a tablet held by the man in the center. The background is a modern office with glass partitions and other people in the distance.

The background image is a photograph of a modern interior space, likely a laboratory or office. It features a glass-walled enclosure with yellow structural elements and lighting fixtures. The space is well-lit, and the glass reflects the surrounding environment. The overall aesthetic is clean and professional.

STREET | SUBWAY | RAILWAY | TUNNEL

A modern office interior featuring a large wall on the left covered in a detailed black and white line drawing of a cityscape. The space is supported by several white cylindrical columns. In the background, there is a lounge area with three armchairs (two blue, one yellow) and a small table. To the right, there are white desks and office chairs. The ceiling has long, horizontal light fixtures. The floor is a light-colored concrete.

VECTOR family

A nighttime photograph of a harbor scene. In the foreground, several small boats are docked in the water, their lights reflecting on the surface. Behind them is a long, low building with a flat roof and large windows. Several tall, white stadium light towers are positioned around the building, casting bright beams of light. In the background, a hillside is covered with houses and trees, some of which are illuminated. The sky is dark blue.
